Nissan Forklift

Nissan Forklift Training Alberta - Nissan Motor Co. Ltd prides itself on attaining total client fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan Forklifts supply a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four independent manufacturing facilities that allow them to continually adapt to their clients continually evolving wishes by providing a variety of innovative ideas and designs.

The Nissan Forklift North and South American center is stationed in Marengo, Illinois. A dedicated team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental responsibility by utilizing techniques that diminish the global effect of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers insist upon while being an environmentally responsive organization.

Nissan is assured that they will be capable of addressing any client queries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
